K12

<https://www.k12.com/>

Sells a complete curriculum in six core subjects (language arts, math, history, science, art, and music) for kindergarten through ninth grade.

K12 offers options to fit your student's needs and the needs of your family. Between tuition-free public school from kindergarten through 12th grade, a new kind of high school with career-focused pathways, and fee-based private schools and independent courses, there is something for any ONE at K12.
