Accredited K-12 Online School

<http://www.foresttrailacademy.com>

Forest trail academy is a virtual school offering k12 online school education to the students of usa and worldwide.

Forest Trail Academy is a virtual school offering k12 online school education to the students of USA and worldwide. Online school courses and curriculum is designed by understanding the needs and capabilities of every student. FTA's homeschool courses include Online Elementary School, Online Middle School, and Online High School. Along with these courses we do offer Dual Enrollment Courses, Advanced Placement (AP) courses, International Diploma Programs, Credit Recovery / Individual Courses, Adaptive / Prescriptive Courses and Summer School Courses. We value the student's interest in sports and offer sports training at our Sports Academy located in Kernersville, North Carolina we nurture the students and make them successful athletically and academically.
