Christian school providing quality education with a Biblical worldview and loving discipleship.

Eagle Heights Christian School 5600 N. Brighton Kansas City, MO 64119 (816) 454-7410 ext 203 We believe the responsibility for educating children rests with the parents. They have many options to fulfill this God given responsibility in a Biblical way. If they decide to homeschool their children, we applaud that choice. We realize that many Christian families may prefer to homeschool.
