Protecting Kids by Preserving a Parent's Right

<http://www.parentalrights.org/blog/parents/protecting-kids-by-preserving-a-parents-right>

According to an August 12 report from KXLY in Spokane, Washington, the Department of Child Protective Services for nearby Colville has come under investigation after a number of parents and legal guardians complained about the department's practices: removing children from perfectly good homes, splitting families for no apparent reason, and treating legal guardians with great [...]
