On our Focus on the Family Broadcast “Trusting God That Hope Is on the Way,” our guest, Dove and Grammy Award-winning Christian alternative and rap figurehead TobyMac, is sharing his journey of faith, family, and music, and encouraging listeners to find hope in God through difficulty, loss, and tragedy. TobyMac has suffered plenty of all three. His oldest son Truett, an aspiring rapper, died tragically at age 21 in 2019 after a drug overdose.
