As you know, the much-welcomed reversal of? Roe? last June has set in motion an avalanche of pro-abortion legislation and ballot initiatives, including in our home state of Colorado. I had an opportunity to weigh-in on a particularly grievous series of bills passed in the Centennial State and signed by our governor. My original article appeared in? Newsweek last week. I've updated the piece to reflect the fast-moving nature of the subject matter.? Colorado Governor Jared? Polis? Signs Bill Prohibiting Lifesaving Care of Innocent Pre-born Children? By: Jim Daly For many years now, pro-abortion advocates have attempted to perfect the art of using soft words to describe dark deeds, and nowhere more regularly or dangerously than in my home state's General Assembly.? Last month, pro-abortion zealots in Colorado introduced a series of three bills, all of which have been signed by Governor Jared Polis. The post Colorado Governor Jared? Polis?
