Years ago, author and speaker Dannah Gresh inexplicably struggled with physical pain. Doctors tested for a number of problems, including cancer and lupus, but couldn't identify the issue. Her troubles continued until her counselor asked if Bob, her husband, was being faithful to her, suggesting that a woman's body can sense when their husband is mentally, spiritually, and sexually distant. When Dannah confronted Bob about her suspicions, he denied that he was struggling with sexual integrity. The post Finding Healing for Your Marriage appeared first on Jim Daly.
