Bella Sara Cards! Have you seen the latest from the world of Bella Sara? Just in time for Easter, Bella Sara had? introduced its new Sunflowers series of collectible cards! This new series from Bella Sara invites fans to join Emma and friends in a captivating search for Herd Sunflower. Using secret codes found in the set of 55 collectible cards, featuring horses, characters and stories, girls will be able to unlock the exciting Sunflowers adventures and experience the new features of the mesmerizing online world, including the ability to customize their own avatar on BellaSara.com. To coincide with this event, Bella Sara also introduced the Miniatures Series 3 set. Featuring 20 new velvety figurine horses, the Miniatures set includes a secret code in each pack to expand online play through Bella Sara Adventures. Bella Sara has sent me multiple packs in the past, and each time, my daughters jump with joy! Bella Sara is one of their favorite computer games, and their absolute FAVORITE collectible. We have bought at least 20 packs of Bella Sara cards in the past. They are the perfect treat, because they add to your daughter's collection, yet they are VERY affordable. Most packs are less than \$5! My daughters trade them, share them, and display them in baseball card protectors in a 3-ring binder. If you're not familiar with Bella Sara yet, you can buy these cards at Target stores, online, at card collector stores, and more. The cards have gorgeous horses on them, and coincide with an online game. The game has constant positive messages on the screen such as, "Beauty comes from within" or "Be the hero in your own story." Each card contains a secret code to unlock a new horse for online play! The online game is lots of fun! It is a very secure place for your child to play online.
