Take the Library of Congress Survey

<https://content.govdelivery.com/accounts/USLOC/bulletins/2e321f4>

Over the past year, like you, the Library of Congress has adjusted, recalibrated and learned. We want to continue to learn from you about what more we can do. As a friend of the Library of Congress, your feedback is critical to us as we look to the future. The Library of Congress is your library and we want to build plans based on YOU. Please take a moment to complete the survey and share more about how you've engaged with the Library, what we can do better, and what more you want to see from us. No matter where you are in the country (or world!), or how you've connected with the Library before – we want your feedback. Take the survey: <https://wh.snapsurveys.com/s.asp?k=162090351735&src=1> The survey will close in 10 days, so please take 10 minutes to complete it now. We look forward to sharing the insights we learn and, most importantly, using your feedback to chart the path forward. Thanks for your time! Carla Hayden Librarian of Congress
