Home Schooling Three to Five Year Olds and Legal Requirements

<http://EzineArticles.com/9959567>

Parents who decide to home school their pre-school children have researched the value of teaching your own children at home. Beginning home school at the pre-school age is an excellent way to get the parent and the child used to the idea of learning at home. This is also a great way to ease into learning how to teach and organize the home school schedule.
