### Erin Condren Homeschool Planner

<https://homeschoolingonashoestring.com/erin-condren-homeschool-planner/>

Erin Condren offers a homeschool planner that I like. The size is like their regular teacher's planner, it is the 8.5" x 11". There is plenty of room to write plans and activities out. The months are undated so you can [continue reading] The post Erin Condren Homeschool Planner appeared first on Homeschooling on a Shoestring.
