Financial Literacy & Money Sense For Kids

<https://hiphomeschoolmoms.com/financial-literacy-money-sense-for-kids/>

“Financial literacy?” you say. Then you think, “But my child is only five!” Truth be told, it is never too early to start teaching your children how to manage their money. Unfortunately, for most parents making a list of important life skills to teach their children, financial literacy won’t make the list. Many would more...
