FDA Warns About Stem Cell Therapies

<http://www.fda.gov/consumers/consumer-updates/fda-warns-about-stem-cell-therapies>

Stem cells have been called everything from cure-alls to miracle treatments. But don't believe the hype. The U.S. Food and Drug Administration is concerned that some patients may be vulnerable to stem cell treatments that are illegal and potentially harmful. Here's what to know before you consider s
