Sammy's Milk Providing a Warning Against the Use of Goat Milk Toddler Formula as Infant Formula

<http://www.fda.gov/safety/recalls-market-withdrawals-safety-alerts/sammys-milk-providing-warning-against-use-goat-milk-toddler-formula-infant-formula>

Newport Beach, California - Sammy's Milk, a local company, has been asked by the Food and Drug Administration (FDA) to provide a warning against the use of its Goat Milk Toddler Formula as an infant formula because the FDA is concerned that the formula may not meet all FDA requirements for infant fo
