How to Report Problems with E-Cigarettes, Cigarettes, Cigars, or Other Tobacco Products to the FDA

<http://www.fda.gov/consumers/consumer-updates/how-report-problems-e-cigarettes-cigarettes-cigars-or-other-tobacco-products-fda>

Safety Reporting Portal allows you to tell FDA about health, quality, or safety issues with tobacco products, including products containing nicotine from any source. Reports about tobacco-related health or product problems can help FDA to identify and monitor known and emerging safety issues.
