### The Seven Biggest Mistakes Made in Teaching Science

[http://www.thehomeschoolmom.com/teacherslounge/articles/biggest\\_mistakes\\_teaching\\_science.php](http://www.thehomeschoolmom.com/teacherslounge/articles/biggest_mistakes_teaching_science.php)

In this article, I am going to share with you some of the common mistakes that educators often make. If youâ€™ve fallen prey to one or more of these, it simply means that no one told you about them yet. Once you know, you can then focus on solutions. Or, perhaps youâ€™ll find that you are already on track, and this may reaffirm that you are headed in the right direction.
