Constitution Day Resources from the Library of Congress

<http://myloc.gov/Exhibitions/creatingtheus/Pages/LearnMore.aspx>

Looking for resources for Constitution Day activities? The Library of Congress has a variety of sources you can use. Explore the Creating the United States online exhibit and learn more about the impact of the Constitution, Bill of Rights and Declaration of Independence on U.S. history. Explore the interactive Constitution where students can learn more about the Constitution and origin of important parts of the Constitution. The Learn More will lead you to links for other exhibits, online resources, webcasts and lessons you can use to help students learn more about the Constitution.
