SOTW: Biz KID\$

<http://answermom.com/cgi-bin/dada/mail.cgi/archive/siteweek/20090916112145/>

Biz KID\$ is a series where kids teach kids about money and business and is just about the perfect maturity level for my 11 year old daughter. Each episode focuses on one aspect of business and money management such as credit, the art of negotiation, wise spending, budgeting, and more.
