Drop what youâ€™re doing, and head over to the Julie Knowles Pottery Store on Etsy! Visit her site: [CLICK ME](#)When she sent me her pottery to review, I instantly put it on TOP of my china cabinet, so it would be front and foremost for people to see as they come through the front door!Now, I love it so much, I got a custom candle poured into it, so it can be a permanent centerpiece in my kitchen!Julie Knowles Pottery is obviously VERY carefully made, and much effort was put into each detail. I love the glossy coating. It really makes it stand out from the rest of my pottery! I chose the polka dot bowl, because I am a polka dot fanatic! The colors were perfectly represented on her website! I am a fast fan of Julie Knowles, and will be ordering plenty of Christmas gifts from her!Here are a few of her pieces from her site!
