ANOTHER fabulous game from GaZima Games, Zip is unlike any game youâ€™ve played before! Zip is â€œThe Fastest Dice Game in the Universe!â€ Gazima Games as done it again! They have created another unique game that keeps you on your toes!Â This game, like Ratuki, can be played in a matter of minutes, but keeps you on the edge of your seat the entire time!Â You will be rolling dice to quickly achieve a specific combination, and if you donâ€™t, you cannot advance on the board! Your card might instruct you to roll a combination of all even numbers, or a â€œstraight,â€ or even all 4s!Â When a card has a star on it, all players compete, and the rolling frenzy begins! My 11 year old son LOVES this game, and beats me regularly! Another thing I like about the Gazima Games is that they are very colorful, and eye-catching.Â Here is a picture of the contents of the game box: The box is a small cube, which makes it easy to take along on trips,Â and very easy to store when you arenâ€™t playing it! Would you love to win your own copy of ZIP! ? Hereâ€™s how to enter to win!
