<http://feedproxy.google.com/~r/blogspot/oKBh/~3/E9DHhiPUFBY/ratuki.html>

If youâ€™ve been a follower of my blog for very long, you know I am a BIG fan of games!!! Be sure to check all my current giveaways! There are 3 different games up for GIVEAWAY right now!! One for children (seen below in the Gamewright Review) and two for adults- Ratuki and Zip, both created by GaZima Games!! This is a review about one of my newest favorites- RATUKI! Ratuki is â€œThe fast flippin', quick grabbin' card game!â€ My family is a busy family. Just to give you a glimpse into our lives, Iâ€™ll throw out these words that describe our weekly schedules- Husband that works constantly, homeschooling 4 kids, karate 3-4 days a week, real estate business, blog review business, music lessons for 3 children, field trips, homeschool group obligations, andâ€¦ when I canâ€™t clean my house. Soâ€¦ When we finally all sit down together to play a game, it certainly canâ€™t be a long one. This is one of the MANY reasons we love Ratuki! Ratuki is a super-fast, and super-fun card game, which is for 2-5 players, ages 7 and up! The object of Ratuki: In Ratukiâ„¸(ra-TOO-kee), everyone races to get rid of their cards and collect the most points by completing runs of five and shouting "Ratuki!" First player to 100 wins. The cards are eye-catching in their many colors and designs! It makes you think fast, and move even faster! Even when I am watching others play it, it is so much fun! It is well-packaged in a small square box, so it is very easy to store, or pack for travelling! Would you love to win your own copy of Ratuki? Hereâ€™s how to enter to win!
