AWESOME Record Bowl!! ENDED

<http://feedproxy.google.com/~r/blogspot/oKBh/~3/AkghPxoCk-U/awesome-record-bowl.html>

This contest has ended. This is SOOOOOO cool. I LOVE my Roberta Flack "Killing Me Softly" bowl, made from a recycled record!! Check out The Golly Pop Boutique's items! The hole is still in the center of these records, so you could screw them into the wall, or fill them with items (like below), or even place cheese spreaders and toothpicks in them for a party! They are ABSOLUTELY adorable!!! Mine will be in my basement room, just between my Audrey Hepburn "Breakfast at Tiffany's" picture, and my "Rat Pack" picture! Here is a side view of the record bowl. The Golly Pop Boutique is offering to a lucky winner a \$10 gift certificate to the winner (not valid on shipping/handling fees and non-transferable). To enter, please do any or all of the following: 1. Comment below, with your email address 2. Visit The Golly Pop Boutique by clicking [HERE](#), and leave a comment telling me which product you love the most, and where you will put it if you win! 3. Just for fun, comment again, telling me if you are also singing, "Lollypop, lollypop, oh lolly, lolly lolly..." just like I am each time I read this company's name!! For optional additional entries, please do: 3. Subscribe to this blog (enter your email address in upper right corner), and comment that you do. 4.
