SCENTSY!!!

<http://feedproxy.google.com/~r/blogspot/oKBh/~3/-jPz-ieVIGw/scentsy.html>

This contest has ended. Ladies and Gentlemen, I'm in love. Oh, with my husband and children, of course! But there is a new love in my life- by the name of Scentsy. Now, I am a candle kind of girl. I have them in every corner of my house, and I have many of them on display! I love all shapes, colors and scents of candles! But there are some things about Scentsy that are very, very different! First, you don't need to light anything to burn this candle! You are simply burning scented wax over a light bulb! Therefore, there is no smoke, no harmful chemicals, no worries over fires from spills... they are simply low maintenance! They are leadless, wickless, flameless and smokeless! Another thing I really love about Scentsy is the fact that their products quickly fill my entire home with fragrance, yet they are not at all overpowering! They emit a subtle, yet definite scent. The bulb that is included in their warmers can be replaced at an everyday hardware store! Take a look at Kara Egan's (Scentsy Founder and Superstar Director) website! You will fall in love with their burners! The scents are absolutely heavenly. I wish you could smell them through the website! Trust me, readers. You really want to win this giveaway! Kara is offering to one lucky winner an August warmer of the month, entitled "Surfs Up," along with a 3 pack of bars including the new scent of the month, "Tangerine Tango" and two others!
