Family Time Fun Game Giveaway!!! ENDED

This contest has ended. Family Time Fun is one of my new favorite companies! Anyone who knows me well knows that my family is always at the top of my priority list. Our schedules are insane between me and all my ventures, my amazingly hard-working husband, and my 4 kiddos and their activities! But I have always made it a point to make dinners a family affair. We may eat at 10:00pm, but we ALWAYS eat together! :) All too often however, while we are all gathered around the table the TV is on, or everyone is talking at the same time! So although we are physically "spending time together," it is not actually quality time! Family Time Fun has created some incredible solutions to this problem! They are the creators of The Restaurant Game... And The Dinner Game! I wish I could say I have a favorite, but I just love them both! We played The Dinner Game the moment it arrived (because my kids couldn't WAIT until dinner!), and we loved it. We played it again that night at dinner, and now it is a staple on my table- it has a home just beside the napkins! And although we haven't been out to eat since The Restaurant Game arrived, you can rest assured it is already in my car awaiting a trip out with the family! Both games have questions such as, "Everyone at the table should guess your favorite song" and "Hum the tune to a song while everyone else tries to guess it." The Restaurant Game also has cards that say, "Guess how many sugar packets are in the caddy at the table" and "Guess your server's favorite color." The Restaurant Game makes no noise, so it will not disrupt any surrounding tables. These games are sure to bring new life to your family dinners, no matter what the ages of your kids are. My 2 year old got a kick out of hitting the "start" button on The Dinner Game. Family Time Fun is offering The Restaurant Game to YOUR family, as well! To enter to win this competition... To enter, please do any or all of the following: 1. Comment below, with your email address, telling me how this game could change your "family time" at dinner. 2.
