GIVEAWAY!! A Million Miles in a Thousand Years by Donald Miller is a thought-provoking look at what our lives could be like if we were to try to turn it into movie material. As Miller shares his experience with us, the result is less than exciting for him. But his life begins to take shape as he goes through it step by step. What would a conversation about your life be like if you were talking with God? This and many other questions will make you think and just might change your life! A Million Miles In A Thousand Years by Donald Miller 'Excerpt from his book Book Description Full of beautiful, heart-wrenching, and hilarious stories, A Million Miles in a Thousand Years details one man's opportunity to edit his life as if he were a character in a movie. Years after writing a best-selling memoir, Donald Miller went into a funk and spent months sleeping in and avoiding his publisher. One story had ended, and Don was unsure how to start another. But he gets rescued by two movie producers who want to make a movie based on his memoir. When they start fictionalizing Don's life for film--changing a meandering memoir into a structured narrative--the real-life Don starts a journey to edit his actual life into a better story. A Million Miles in a Thousand Years details that journey and challenges readers to reconsider what they strive for in life. It shows how to get a second chance at life the first time around.
