Ahhhh, Harry. You've done it again. When I'm looking for new music, I will generally enter a genre on my iPhone app, "Pandora Radio," and see what comes up. Lately, I've not been too thrilled with Pandora's choices for me. If you're in the same situation- a little tired of the same old songs in your collection, look no further. Harry Connick Jr's newest album, "Your Songs," is set for release on September 22nd. What will you find in this album? Harry's timeless voice. Soothing musical accompaniment. Some jazz. Well-preserved classics, with a unique spin. A little something for all ages. Check out these amazing Tracks!
